The EMBO anniversary logo

The EMBO anniversary logo consists of two parts, the EMBO logo and the anniversary addition. There are two usages of the EMBO anniversary logo. A stand alone one and the EMBO anniversary logo in combination with the EMBL anniversary logo.

Stand alone

EMBO and EMBL anniversary logos combined

The logo in print

minimum size = 17 mm

The logos in print

minimum size = 37 mm

The logo online

minimum size = 36 pixel

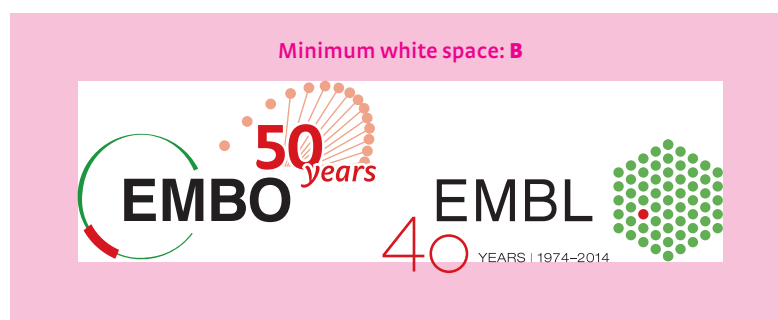

The logos online

minimum size = 77 pixel

Placement

When positioning the logo in your application (print, web or office) leave a minimum white space between the EMBO anniversary logo and other surrounding objects. **A:** The minimum white space is the height of the capital letter "E" of the EMBO logo. **B:** The minimum white space is the length of 5 dots of the EMBL logo.

Minimum white space: **A** [EMBO

Minimum white space: **B** [

Colours

The EMBO anniversary logo can be used in two different colour variations:

- **Colour – red, green and black**
use this version for full colour prints, or on websites
- **Monochrome**
use this version for grayscale or black and white prints

Unacceptable use

When using the EMBO anniversary logo use the original files. Changing elements of the logo or adding additional ones is not acceptable (see below). If you have to scale the logo, do so proportionally.
